DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach a driving controller for a motor comprising a sensing means for measuring motor phase currents, wherein the number of phase current being measured is limited to one and a number smaller than a total number of the independent phase currents. Furthermore, the applied prior art does not disclose a drive device for a motor comprising a measuring device for measuring one or more addition phase currents, the number of addition phase currents is limited to a number between one and a number smaller than the total number of addition current, wherein an addition phase current is an addition of phase current of at least two of a plurality of multi-phase coils.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2837
